

(1) Also I in the first year of Darius the Mede, even I, stood to confirm and to strengthen him. (2) And now will I shew thee the truth.

Behold, there shall stand up yet three kings in Persia; and the fourth shall be far richer than they all: and by his strength through his riches he shall stir up all against the realm of Grecia.

With Persia being a type of the Christian nations in the end of years, we have here in this second verse the history of the king of the south: beginning with the United Kingdom, followed by Germany and then the United States with the fourth being all three as the lion of Daniel Chapter 7: Ephraim, Judah and Manasseh during the five month long hour of temptation.

(3) And a mighty king shall stand up, that shall rule with great dominion, and do according to his will. (4) And when he shall stand up, his kingdom shall be broken, and shall be divided toward the four winds of heaven; and not to his posterity, nor according to his dominion which he ruled: for his kingdom shall be plucked up, even for others beside those.

Following the first two world wars were two attempts at a one world system by the Kenite nation which Grecia was a type of: First the League of Nations at the end of World War I followed by the United Nations at the end of World War II. Whether or not a World War III will transpire between now and the five month long hour of temptation remains to be seen, but what we know for certain is that the one world political system written of in Revelation 13 as well as Daniel 7 has yet to emerge because Satan and his angels (Daniel's fourth beast) must first be cast from Heaven to Earth. Only then will that political beast emerge having seven heads and ten horns that has a mouth like the mouth of a lion which symbolizes the Christian nations, feet like the feet of a bear which symbolizes the Ezekiel 38 confederacy and it is also written in Revelation 13:2 that this political beast is like a leopard which symbolizes the Kenites and the four hidden dynasties of education, economics, politics and religion: the four external agencies that will make up the infrastructure of this global government.

With the first four verses of Daniel 11 having outlined the chapter for us, we now go on to learn the identity of the king of the south: first, one by one, and then from verse 21 forward, the king of the south is all three: Ephraim, Judah and Manasseh as the lion described in Daniel 7.

(5) And the king of the south shall be strong, and one of his princes; and he shall be strong above him, and have dominion; his dominion shall be a great dominion.

This first king of the south is Ephraim and the prince written of here is Manasseh. In as much as these first 20 verses lead up to the one world political system that emerges at the woe of the fifth trumpet at the beginning of the five month long hour of temptation, you could say this chapter could be titled: The History of Globalism. The first global political event to happen was World War I and this first king of the south is Ephraim: the United Kingdom as well as the British Commonwealth. And as you can see in Genesis 48:19 concerning Ephraim: "his seed shall become a multitude of nations".

(See Also: Page 25 of Abrahamic Covenant by E. Raymond Capt)

Keep in mind: Ephraim is the United Kingdom and the British Commonwealth and Judah is Germany, but the sceptre of Judah is in London, England. The original name of the Royal House of Windsor was the House of Saxe-Coburg and Gotha: a German dynasty descended from the House of David.

During World War I, King George V was the King of England. His cousin, Czar Nicholas II, ruled over Russia. Kaiser Wilhelm II, also his cousin, ruled over Germany.

(6) And in the end of years they shall join themselves together; for the king's daughter of the south shall come to the king of the north to make an agreement: but she shall not retain the power of the arm; neither shall he stand, nor his arm: but she shall be given up, and they that brought her, and he that begat her, and he that strengthened her in these times.

J.P. Green translates this word **agreement** as 'treaty' and in 1915, a secret treaty called the Treaty of London was made between the Allied forces (England, Russia and France) and Italy to bring Italy into

World War I. **The king's daughter** is the sceptre of Judah (which is in London) and the first king of the north was Russia just prior to the Bolshevik Revolution and the birth of the U.S.S.R. So: **she** (the sceptre of Judah) **shall not retain the power of the arm**; (in Russia) **neither shall he stand, nor his arm**: (Czar Nicholas II) **but she** (the sceptre of Judah in Russia) **shall be given up, and they that brought her** (the Romanov Dynasty), and **He that begat her**, (in other words: the Soviets would "throw God out of Russia" creating an atheistic dictatorship) **and He that strengthened her** (He that strengthened her is Christ. The Romanovs were a Christian dynasty of the king line of Judah but (as you can see in Amos 2:1) Moab burned the bones of the king of Edom into lime.

(Ammon and Moab being symbolic of the two wings of the communist system: Stalinism and Trotskyism which came into being with the Bolshevik Revolution.)

(7) But out of a branch of her roots shall one stand up in his estate, which shall come with an army, and shall enter into the fortress of the king of the north, and shall deal against them, and shall prevail:

(8) And shall also carry captives into Egypt their gods, with their princes, and with their precious vessels of silver and of gold; and he shall continue more years than the king of the north.

To understand these verses you have to be familiar with how the Bolshevik Revolution was orchestrated and more importantly:

WHERE it was orchestrated from: Wall Street, which is geographically located in the United States (Manasseh). This explains why one **out of a branch of her roots** is used to describe the Bolshevik Revolution. This terminology is used of Joseph (Ephraim and Manasseh) in Genesis 49:22-26. So even though it was obviously the Kenites behind it, the United States, as usual, gets the blame. This method of using the United States to formulate one worldism increased significantly with the Federal Reserve Act of 1913 and continues to this very day. Egypt is always symbolic of bondage.

(9) So the king of the south shall come into his kingdom, and shall return into his own land.

Signifying the end of World War I.

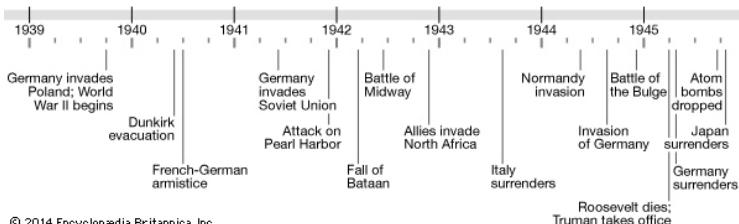

When a war ends, you return home.

So here we see the end of the description of the first king of the south (the United Kingdom and the British Commonwealth in World War I) and move on to the second king of the south: **Germany**.

(10) But his sons shall be stirred up, and shall assemble a multitude of great forces: and one shall certainly come, and overflow, and pass through: then shall he return, and be stirred up, even to his fortress.

(11) And the king of the south shall be moved with choler, and shall come forth and fight with him, even with the king of the north: and he shall set forth a great multitude; but the multitude shall be given into his hand. (12) And when he hath taken away the multitude, his heart shall be lifted up; and he shall cast down many ten thousands: but he shall not be strengthened by it.

#### Chief Events of World War II, 1939–45

© 2014 Encyclopædia Britannica, Inc.

Verses 10-12 are self explanatory with Germany being the focus and the second king of the south described in Daniel 11. World War I resulted in the League of Nations, World War II resulted in the United Nations. The king of the north having transitioned from Czarist Russia to Soviet Russia to the Russian Federation.

This brings us up to present time and the third king of the south: the United States...

(13) For the king of the north shall return, and shall set forth a multitude greater than the former, and shall certainly come after certain years with a great army and with much riches.

This can be applied to the current events of today with Russia's entry into Syria on September 30<sup>th</sup> 2015.

(14) And in those times there shall many stand up against the king of the south:

(meaning the United States)

also the robbers of thy people shall exalt themselves to establish the vision; but they shall fall.

**The robbers of thy people** are obviously the Kenites.

The sons of Cain who claim to be of Judah but are actually the literal children of the devil.

They will attempt to **establish the vision**; (the prophecy of a one world system) **but they shall fall**

which means they shall FAIL

because the one world political system will not come into being until Satan and his angels are cast to earth.

(15) So the king of the north shall come, and cast up a mount, and take the most fenced cities: and the arms of the south shall not withstand, neither his chosen people, neither shall there be any strength to withstand.

We also see at this time the confederacy of Ezekiel 38 formulating between Russia, Red China and the Islamic nations. This goes all the way back to Genesis 28:9 where Esau married one of the daughters of Ishmael: the foundation of the communistic-islamic alliance.

**The arms of the south shall not withstand** meaning the global political system that will emerge at the woe of the fifth trumpet cannot be stopped no matter which **chosen people** (elected officials) are voted into power.

We now rewind for a closer look at the first two attempts at a one world government: First with the League of Nations in verses 16-19 followed by the United Nations in verse 20.

(16) But he that cometh against him shall do according to his own will, and none shall stand before him: and he shall stand in the glorious land, which by his hand shall be consumed.

Here we see the League of Nations personified. The **glorious land** here is of course the land of Israel and it was Article 22 of the Covenant of the League of Nations along with the Balfour Declaration that paved the way for the fig tree generation to begin in 1948 with the "state of Israel" coming into being.

(17) He shall also set his face to enter with the strength of his whole kingdom, and upright ones with him; thus shall he do: and he shall give him the daughter of women, corrupting her: but she shall not stand on his side, neither be for him.

When you look up the word **daughter** in your Strong's Concordance, you will find over and over again: **daughter of Zion, daughter of Jerusalem, daughter of Judah, daughter of My people...**

Jerusalem

(18) After this shall he turn his face unto the isles, and shall take many:

The League of Nations had 42 founding members excluding the United States of America, 16 of them left or withdrew from the international organization. The Kingdom of Yugoslavia was the only (founding) member to leave the league and return to it later and remained so a member until the end. In the founding year six other states joined, only two of them would have a membership that lasted until the end. In later years 15 more countries joined, three memberships would not last until the end. Egypt was the last state to join in 1937. The Union of Soviet Socialist Republics was expelled from the league on December 14, 1939 five years after it joined on September 18, 1934. Iraq was the only member of the league that at one time was a League of Nations Mandate. Iraq became a member in 1932.' (New World Encyclopedia)

but a prince for his own behalf shall cause the reproach offered by him to cease; without his own reproach he shall cause it to turn upon him.

World War II breaking out in 1939 caused the League of Nations to cease operations having failed to prevent a second global conflict.

(19) Then he shall turn his face toward the fort of his own land: but he shall stumble and fall, and not be found.

With the Covenant of the League of Nations originating in the Paris Peace Conference, a look at what happened to France during World War II illustrates what a failed attempt at peace this was. When world war breaks out, it is safe to say the attempt at "world peace" was a failure.

But it did provide the skeletal structure for the next attempt at world peace: the United Nations...

(20) Then shall stand up in his estate a raiser of taxes in the glory of the kingdom: but within few days he shall be destroyed, neither in anger, nor in battle.

The Interlinear Bible by J.P. Green translates this verse as:

Then one who sends a tax-exactor shall stand in his place, for the glory of the kingdom. But within a few days he will be broken, but not in anger, and not in battle.

The United Nations (or simply UN) is an international organization established in 1945 for the purpose of securing world peace. It replaced its predecessor, the League of Nations, which had failed to prevent war between nations. It was founded by 51 nations led by the allied powers after World War II. Now with 192 members, the organization's structure still reflects the

geopolitical circumstances at its founding. On the United Nations Security Council, the body with the ability to enforce its decisions, there are five permanent members (P5) with veto power—the United States, Russia, the United Kingdom, France, and the People's Republic of China (PRC). Neither Russia nor the PRC were originally permanent Security Council members but took over the seats of the Soviet Union (defunct since 1992) and Republic of China (UN membership withdrawn in 1971).

As an organization of governments designed to prevent war between states, it has struggled to address issues of civil and ethnic strife within countries. Since the end of the Cold War, trends in conflict have shifted from international to intra-national conflicts; nations are no longer the defining framework for conflict. The United Nations Security Council, the UN's enforcement tool, has had to cope with intra-state and non-state threats by expanding the jurisdiction of its authority, although some question the suitability of the UN intervening in internal conflict situations.' (New World Encyclopedia)

This time with Ephraim, Judah and Manasseh as members (with the U.N. headquarters even in the land of Manasseh) the United Nations would for many decades forcefully hammer out the infrastructure of the future "new world order" via all four hidden dynasties: education, economics, politics and religion. With President Bush proclaiming on January 16<sup>th</sup>, 1991:

"This is an historic moment. We have in this past year made great progress in ending the long era of conflict and cold war. We have before us the opportunity to forge for ourselves and for future generations a new world order -- a world where the rule of law, not the law of the jungle, governs the conduct of nations. When we are successful -- and we will be -- we have a real chance at this new world order, an order in which a credible United Nations can use its peacekeeping role to fulfill the promise and vision of the U.N.'s founders."

So then who is this **raiser of taxes** the United Nations sends? Remember to think GLOBAL as far as this chapter is concerned:

As in a Global Carbon Tax.

(21) And in his estate shall stand up a vile person, to whom they shall not give the honour of the kingdom: but he shall come in peaceably, and obtain the kingdom by flatteries.

This **vile person** is Satan himself once he is cast from heaven to the earth at the woe of the fifth trumpet:

And there was war in heaven:

Michael and his angels fought against the dragon; and the dragon fought and his angels, and prevailed not; neither was their place found any more in heaven.

And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him. (Revelation 12:7-9)

Daniel 11:21-30 covers the first half of the five months: the political. Daniel 11:31-45 covers the last half of the five months: the religious.

There are four stages of the locust army given in the book of Joel. In the Hebrew they are the gnawer, swarmer, devourer and consumer.

The locust army are exclusively the fallen angels so these four stages would have to occur during the five months. The first three stages most likely occur in the first half of the hour of temptation and the fourth and final stage begins when Satan appears as the antichrist at 666.

The entire timeline of the five month long hour of temptation is outlined in Daniel 9:27:

And he shall confirm the covenant with many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.

This **covenant** is the covenant of a one world political system: that first beast written of in Revelation 13 where the first verse (properly translated) makes it totally clear that the one world political system does not emerge until Satan and his angels are cast from heaven to the earth at the woe of the fifth trumpet:

And the dragon stood on the sand of the sea. And I saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the names of blasphemy.

These ten horns are ten kings which are part of Daniel's fourth beast (which is exclusively supernatural) and as it is written in Revelation 17:12, these ten fallen angel kings receive power as kings one hour with the beast: the five month long hour of temptation.

The reason this one world political system is so successful at first may be because of the flying vehicles of the fallen angels written of in Revelation 9:9 being used to portray a clear and present external threat to the human race causing all nations to join together in a global government to "save the world".

(22) And with the arms of a flood shall they be overflowed from before him, and shall be broken; yea, also the prince of the covenant.

This is a flood of deception that is also written of in Revelation 12 that does not begin until the latter half of the hour of temptation which is political in the first half, then religious in the second half when the flood of lies that comes out of Satan's mouth kills a third spiritually when he appears as antichrist. A third of the earth today are Christian who are the only group capable of dying spiritually. Everyone else is dead already because the True Christ is the only way to The Father. Only those with the seal of God in their forehead will remain of the many membered body of Christ once Satan appears as the fake messiah. Here, in verses 21-30, we see the build up to the sixth trumpet.

This **prince of the covenant** most likely refers to the lion of Daniel 7: The three Christian nations of Ephraim, Judah and Manasseh who will be plucked up by the roots at the sixth trumpet as we know from Daniel 7:8. They are no longer Christian once they begin to worship the devil.

(23) And after the league made with him he shall work deceitfully: for he shall come up, and shall become strong with a small people.

This **league** is that covenant with many we read of in Daniel 9:27. The Covenant of the League of Nations was just a precursor to this de facto one world government that will come into being at the beginning of the five month long hour of temptation. The **small people** here means a people small as far as numbers go which applies to Satan's angels as well as his offspring (the Kenites) who formulated the one world system that finally emerges at the beginning of the hour of temptation.

(24) He shall enter peaceably even upon the fattest places of the province; and he shall do that which his fathers have not done, nor his fathers' fathers;

Satan will succeed where the League of Nations and United Nations failed. he shall scatter among them the prey, and spoil, and riches: yea, and he shall forecast his devices against the strong holds, even for a time.

Satan has yet to appear as antichrist and what is evidently taking place in these first two and a half months are a lot of behind the scenes political negotiations involving the fine tuning of the one world system just as you would see with any radical political shift only this will be on an unprecedented level because these are supernatural entities: the dragon and his angels: Daniel's fourth beast.

Revelation 13:2 tells us that this is the same system described in Daniel 7:

And the beast which I saw was like unto a leopard, (the Kenites and the four hidden dynasties: the infrastructure of this one world government)

and his feet were as the feet of a bear, (Edom and the Ezekiel 38 Confederacy)

and his mouth as the mouth of a lion (Ephraim, Judah and Manasseh)

and the dragon gave him his power, and his seat, and great authority.

Satan is the dragon and this word translated as seat is the same word in the Greek in Revelation 16:10.

The seat of the beast is what the fifth vial gets poured out on.

This is the deadly wound to the one world political system that is healed by Satan's appearance as antichrist at the sixth vial which is halfway into the five month long hour of temptation. The deadly wound more than likely comes from one or more of the Christian nations rebelling against the one world government, but once Satan appears claiming to be Christ returned those who had caused the deadly wound will cease to oppose his one world system because they will think he is Jesus returned.

Satan gets cast out of heaven at the woe of the fifth trumpet but does not appear in Jerusalem until the woe of the sixth trumpet. The True Christ does not return until the woe of the seventh trumpet.

(25) And he shall stir up his power and his courage against the king of the south with a great army; and the king of the south shall be stirred up to battle with a very great and mighty army; but he shall not stand: for they shall forecast devices against him.

We see at this point this one world political system going wrong with some sort of war breaking out. War is death to a one world peace system; a deadly wound.

(26) Yea, they that feed of the portion of his meat shall destroy him, and his army shall overflow: and many shall fall down slain.

This word **slain** is #2941 in The Strong's Concordance and can even mean '(deadly) wounded'.

They that feed off the blessings of Jacob, the king of the south, including Esau, the king of the north, who received a curse rather than a blessing in Genesis 27: "Behold, your abode shall be from the fat of the earth and from the dew of the heaven above; and you shall live by your sword, and you shall serve your brother; and when it shall be that you fight, you shall break his yoke from your neck." (Interlinear Bible, by J.P. Green)

(27) And both of these kings' hearts shall be to do mischief, and they shall speak lies at one table; but it shall not prosper: for yet the end shall be at the time appointed.

In other words: the deadly wound will not be able to be healed by the king of the north and the king of the south diplomatically. It can only be healed by Satan's appearance as the false christ which is when it will go from being a one world political system to a one world religious system.

(28) Then shall he return into his land with great riches; and his heart shall be against the holy covenant; and he shall do exploits, and return to his own land.

The **he** here is Satan, the **vile person**, and **his land** is the land of Israel having been occupied by the Kenites, his own children, since 1948.

Notice that it is **the holy covenant** Satan's heart is against. Not the covenant with many of Daniel 9:27, but Christianity itself.

(29) At the time appointed he shall return, and come toward the south; but it shall not be as the former, or as the latter.

At the time appointed, in the midst of the week, the middle of that five month long hour of temptation, Satan will **come toward the south** (Christianity) **but it shall not be as the former** (politically, at the beginning of the five months), **or as the latter** (violently, at the end of the five months, as in Ezekiel 38 and 39 where Satan sends Esau against the mountains of Israel.)

In other words, it will be in the middle of the five months when he appears as the antichrist and by peace shall destroy many as it is written in Daniel 8:25.

(30) For the ships of Chittim shall come against him:

The word **Chittim** can denote 'cypress' which is the Greek name for the Mediterranean cypress trees which can live for thousands of years.

This word **ships** in the Hebrew can even mean 'to send a messenger'.

This is also the time that the prophesying of the two witnesses begins: just prior to Satan's appearance in Jerusalem as antichrist in the middle of the hour of temptation which we are about to see in verse 31.

With the two witnesses written of in Revelation 11 being most likely Moses and Elijah, (who, just like the Mediterranean cypress trees are thousands of years old.) these are also **ships** as in flying vehicles:

with the rest of the **ships of Chittim** being the armies which were in heaven that will return with the True Christ as we will see beginning in verse 40.

Notice in Numbers 24 we see that ships shall come from the coast of Chittim, and shall afflict Asshur, (the Assyrian being Satan's role of antichrist) and shall afflict Eber, (which means 'the opposite side' as in those within Satan's one world system) and he (Satan) shall also perish forever.'

But before Satan even appears as antichrist,

**the ships of Chittim shall come against him: therefore he shall be grieved, and return, and have indignation against the holy covenant: so shall he do; he shall even return, and have intelligence with them that forsake the holy covenant.**

Having covered the first half of the five month long hour of temptation in Daniel 11:21-30, we now move into Daniel 11:31-45 which will cover the last half of the hour of temptation beginning the fourth and final stage of the locust army: the consumer:

(31) And arms shall stand on his part, and they shall pollute the sanctuary of strength, and shall take away the daily sacrifice, and they shall place the abomination that maketh desolate.

This is when Revelation 13:11 occurs:

And I beheld another beast coming up out of the earth; and he had two horns like a lamb and he spake as a dragon.

This is the 6<sup>th</sup> seal, the 6<sup>th</sup> trumpet and the 6<sup>th</sup> vial when Satan appears in Jerusalem as the antichrist.

and he spake as a dragon because he IS the dragon.

This is what Paul wrote of in Second Thessalonians 2 and what Christ was speaking of in Matthew 24:15 when He said:

"When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:) Then let them which be in Judaea flee into the mountains."

As we know from Revelation 9: at the sixth trumpet the third part of men are slain spiritually upon Satan's appearance as antichrist. A third of the earth today are Christian who are the only group capable of dying spiritually. Everyone else is dead already because the True Christ is the only way to the Father.

(32) And such as do wickedly against the covenant shall he corrupt by flatteries:

This **covenant** is the covenant with many of Daniel 9:27. Those who carried out the deadly wound will think Christ has returned because of their ignorance of God's Word and will be deceived into worshipping Satan.

This is when those three Christian nations are plucked up by the roots because of the little horn as you can see in Daniel 7:8. Those three Christian nations symbolize all of Christianity (except for those of the Zadok) being absorbed into Satan's one world religious system.

This is when most Christians will cease to be virgin brides and become the whore of Babylon.

but the people that do know their God shall be strong, and do exploits.

The 7,000 Zadok are the firstfruits of the first world age having stood against Satan when he first rebelled.

The church in Philadelphia (as well as the two witnesses) will be the only ones to stand against Satan initially when he appears as the antichrist at 666.

(See 1 Kings 20:15 for the possibility the church in Philadelphia will be made up of 232 of the 7,000)

(33) And they that understand among the people shall instruct many: yet they shall fall by the sword, and by flame, and by captivity and by spoil many days.

**They that shall fall** are most Christians when they get deceived into worshipping Satan instead of Christ, receiving the mark of the beast (which is the deception Satan is Jesus returned) in their right hand or in their forehead.

(34) Now when they shall fall, they shall be holpen with a little help: but many shall cleave to them with flatteries.

This **help** comes from the Holy Spirit speaking through those who will be delivered up to Death (which is one of Satan's names) during the latter half of the hour of temptation.

(35) And some of them of understanding shall fall, to try them, and to purge, and to make them white, even to the time of the end: because it is yet for a time appointed.

This is the 144,000 (the church in Smyrna) who are predestined to be brought out of the confusion when the seed of the seal of God (that was placed in their foreheads before the hour of temptation began) comes to fruition because of what the Holy Spirit will say through those of the Zadok when they get delivered up for refusing to worship Satan when he appears in Jerusalem as the antichrist.

The 144,000 are the firstfruits of this second world age.

**(36) And the king shall do according to his will; and he shall exalt himself, and magnify himself above every god, and shall speak marvellous things against the God of gods, and shall prosper till the indignation be accomplished: for that that is determined shall be done.**

And as you can see in the first four verses of Second Thessalonians chapter two:

Now we beseech you, brethren, by the coming of our Lord Jesus Christ, and by our gathering together unto him, That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand. Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.

**(37) Neither shall he regard the god of his fathers, nor the desire of women, nor regard any god: for he shall magnify himself above all.**

**(38) But in his estate shall he honour the god of forces: and a god whom his fathers knew not shall he honour with gold, and silver, and with precious stones, and pleasant things.**

When Satan makes his appearance as the antichrist, he will magnify himself above every god, and he shall magnify himself above all. This god of forces is himself that Satan will be honouring.

**(39) Thus shall he do in the most strong holds with a strange god, whom he shall acknowledge and increase with glory: and he shall cause them to rule over many, and shall divide the land for gain.**

This strange god is obviously Satan himself also and the image of the beast in the book of Revelation is an image of Satan transmitted throughout the globe along with the images of his fallen angel locust army in the consumer stage thereof.

**(40) And at the time of the end shall the king of the south push at him (Satan) : and the king of the north shall come against him (the king of the south) like a whirlwind, with chariots, and with horsemen, and with many ships; and He (the True Christ) shall enter into the countries, and shall overflow and pass over.**

Here you have the king of the south that shall push at Satan, and (as a result) the king of the north shall come against the king of the south. And it is at this time that the True Christ returns at the woe of the seventh trumpet. The first him in verse 40 is Satan, the second him is the king of the south (Jacob) who the king of the north (Esau) comes against in the battle of the valley of Hamon-Gog and the He in verse 40 is the True Christ: our Passover.

**He (the True Christ) shall enter also into the glorious land, (Jerusalem, where the battle of Armageddon takes place) and many countries shall be overthrown:** Christ returns as KING OF KINGS AND LORD OF LORDS.

As you can see in Daniel 2:44, And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever.

**but these shall escape out of his (the king of the south's) hand, even Edom, and Moab, and the chief of the children of Ammon.**

This is speaking of the time when Esau breaks Jacob's yoke from his neck or when he shall escape out of his hand at the end of this flesh age.

Every stich of Genesis 27:39-40 is a curse because it is at the seventh trumpet that Esau is destroyed from being a nation forever as you can also document in the book of Obadiah. It is only when Esau is destroyed from being a nation that the yoke of Jacob is broken from Esau's neck and he will escape out of Jacob's hand:

"Behold, your abode shall be from the fat of the earth and from the dew of the heaven above; and you shall live by your sword, and you shall serve your brother; and when it shall be that you fight, you shall break his yoke from your neck." (Interlinear Bible, by J.P. Green)

As we know from Genesis 25, two nations were in the womb of Isaac's wife:

And the first came out red, all over like an hairy garment; and they called his name Esau.

And after that came his brother out, and his hand took hold on Esau's heel; and his name was called Jacob

As we know from Ezekiel 38 and 39, Esau, along with all the nations he leads into the battle of the valley of Hamon-Gog will be destroyed by hailstones at the seventh trumpet. You can also read of these hailstones in Revelation 16 where the events of the seventh vial are described and this happens immediately after the silence in heaven about the space of half an hour written of in Revelation 8:1 which is the seventh seal.

In other words, the True Christ will not return until 777.

**(42) He (the True Christ) shall stretch forth His hand also upon the countries: and the land of Egypt shall not escape.**

Isaiah 19:19-20 documents that this is speaking of the beginning of the day of the Lord: the millennium.

In that day shall there be an altar to the LORD in the midst of the land of Egypt, and a pillar at the border thereof to the LORD. And it shall be for a sign and for a witness unto the LORD of hosts in the land of Egypt: for they shall cry unto the LORD because of the oppressors, and He shall send them a Saviour, and a great One, and He shall deliver them.

**But He (the True Christ) shall have power over the treasures of gold and silver, and over all the precious things of Egypt:**

**"The silver is Mine, and the gold is Mine," saith the LORD of hosts. (Haggai 2:8)**

**and the Libyans and the Ethiopians shall be at his (the king of the south's) steps.**

Notice **the Libyans and the Ethiopians** are mentioned. Yet another parallel with Ezekiel 38, this time in verse 5:

Persia, Ethiopia, and Libya with them; all of them with shield and helmet

The **steps** are the entrance to North America: Alaska.

The battle of Armageddon and the battle of the valley of Hamon-Gog are two separate battles that take place at the very end of the five month long hour of temptation when The True Christ returns. The battle of Armageddon takes place in the original land of Israel and the battle of the valley of Hamon-Gog takes place in Alaska. Both of these battles are fought by God Almighty.

And I will plead against him with pestilence and with blood; and I will rain upon him, and upon his bands, and upon the many people that are with him, an overflowing rain, and great hailstones, fire, and brimstone.

Thus will I magnify Myself, and sanctify Myself; and I will be known in the eyes of many nations, and they shall know that I am the LORD. (Ezekiel 38:22-23)

**(44) But tidings out of the east and out of the north shall trouble him: (Satan) therefore he (Satan) shall go forth with great fury to destroy, and utterly to make away many.**

These tidings are the reports coming from Gog and his multitude that they are being pelted with giant hailstones. Alaska is northeast from Jerusalem, which is where the battle of Armageddon transpires.

This happens at the exact same time as the battle of Hamon-Gog. After the seventh vial is poured out upon the return of The True Christ when all flesh is changed into spiritual bodies as we know from 1 Corinthians 15:51-52.

And there fell upon men a great hail out of heaven, every stone about the weight of a talent: and men blasphemed God because of the plague of the hail; for the plague thereof was exceeding great. (Revelation 16:21)

**(45) And He (the True Christ) shall plant the tabernacles of His palace between the seas in the glorious holy mountain; yet he (Satan) shall come to his end, and none shall help him.**

And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshiped his image. These both were cast alive into a lake of fire burning with brimstone. (Revelation 19:20)

These are not two individuals. This is Satan's one world system (including his angels) and his role of antichrist being destroyed forever. Satan himself will be bound for a thousand years in the bottomless pit, after which he will be cast into the lake of fire along with whoever chooses to follow him after the millennium.

Everyone else goes into the eternity:  
**THE THIRD WORLD AGE**
