2024 PART I

'The recent triumphant visit of Vladimir Putin to the UAE and Saudi Arabia, followed by lengthy negotiations with Iranian President Raisi, demonstrates how seriously Russia takes multipolarity. Especially on the eve of 2024, when Russia enters its annual presidency of BRICS. By the end of the year (2023) — this time in Latin America — a new syndrome of multipolarity emerged. Venezuelan President Nicolas Maduro declared his country's claims to the territory of British Guiana. Maxim Medovarov, in his Telegram channel *Notes of a Traditionalist*, rightly points out that Guyana itself was a product of the evil genius of Atlanticism, Lord Palmerston, who planned and implemented the 'dissection of Great Colombia into pieces with the death of Bolivar, including the snipping off of Essequibo to British Guiana (Guyana).' British Guiana-Essequibo (along with the Malvinas [Falkland Islands]) is another front of multipolarity against unipolarity.' -Aleksandr Dugin a.k.a. Putin's Brain

The war between 'multipolarity' and 'unipolarity' is really a war within the he goat written of in Daniel 8 which is symbolic of the shadow government of the Kenites, which is what causes the Ezekiel 38 Confederacy to formulate, headed by Gog: the chief prince of Meshech and Tubal meaning (most likely) Moscow and Tobolsk. The Russian Federation (i.e. Edom, which is for the most part controlled by the Kenites on the multipolar end of the globalist spectrum) is the current king of the north according to 'The Daniel 11 Hypothesis' on biblicalresearchlabs.com and the United States (i.e. Manasseh) is the current king of the south, but the left/right paradigm (which is for the most part controlled by the unipolarist Kenites) is symbolized by Ammon and Moab.

Operating within the left/right paradigm and media monopolies of the West are also the hidden agents of Edom, working to 'introduce geopolitical disorder into internal American activity, encouraging all kinds of separatism and ethnic, social and racial conflicts, actively supporting all dissident movements — extremist, racist, and sectarian groups, thus destabilizing internal political processes in the U.S.' as Putin's Brain (Aleksandr Dugin) wrote in his book 'Foundations in Geopolitics' back in 1997.

But no matter what the Kenites do to try and bring about globalism, there will be no so-called 'new world order' until Satan and his angels get cast to earth at the woe of the fifth trumpet because only then does the one world political system of Revelation 13 emerge, which will then receive a deadly wound, after which it becomes a one world religious system when Satan appears as the antichrist in Jerusalem at the woe of the sixth trumpet. The TRUE Christ will not return AT ALL until the woe of the seventh trumpet. Learn more at MARK13RECORDS.COM

UNITED STATES FACES 'FRAGILE WORLD ORDER' AMID RUSSIA & CHINA THREATS

(theguardian.com, 3-11-24)

(EXCERPT)

US intelligence agencies say the country faces an “increasingly fragile world order”, strained by great power competition, transnational challenges and regional conflicts, in a report released as agency leaders testified in the Senate.

“An ambitious but anxious China, a confrontational Russia, some regional powers, such as Iran, and more capable non-state actors are challenging long-standing rules of the international system as well as US primacy within it,” the agencies say in their 2024 Annual Threat Assessment.

On February 26, 2024, renowned Chinese academic Zhang Weiwei, top propaganda consultant for the Chinese Communist Party (CCP) Politburo, spoke at the Second Congress of the International Russophile Movement (IMR) and the Forum on Multipolarity in Moscow.

In his speech, Zhang Weiwei stated: "Why is 'multipolarity' so important? Because its opposite 'unipolarity' is immoral, unjust, and outdated..."
